My dear Mr. Chapman:

My little  
son is very  
interested in  
old coins and  
I want to  
start a  
collection for  
him this

Yours,

You will pardon  
me I trust  
for asking  
your aid in  
this matter.

Perhaps you  
will tell me  
the best place  
to buy a

small case, and  
the names of  
a few American  
coins good to  
start a collection.  
I have bought one  
which I saw at  
Pennington last  
summer, a fine  
tree shilling. I

paid four dollars  
for it and it is  
in quite good  
preservation.

Please remember  
Clinton and me  
most kindly to  
your sons and  
daughters.

Clinton also sends  
best regards to you  
in which I join.  
Very sincerely  
Chas. B. 1904. Marion C. Linn. Watson

[My son is as yet such a novice  
in coin collecting that he really  
does not know what he wants.]

Dear Mr. Chapman:  
Very sorry  
to get such  
a promise in  
your collecting  
that he really  
does not know  
what he  
wants, but I

Received  
from  
Miss

Oct 56 sheet

thinks perhaps  
it would be  
best to

~~commence~~  
with silver  
<sup>of our country</sup>  
~~come~~ as I  
have one to  
~~extract~~ the  
collection.

If you think  
he ought to

have two or three  
copper ones as  
well I will secure  
them. I do not  
care to spend  
over fifteen or  
twenty dollars for  
these foundations  
of this little collection  
as I have already  
gotten several

Know gifts that  
he has asked  
for.

I saw a small  
cabinet the other  
day for ten dollars  
which is about the  
right size.

If you will select  
some valued at  
the above amount  
and send them  
to me I shall
